**11.28**

## 1. Demographic Report

A demographic report summarizes employee statistics, including age groups, gender, distance from home, and marital status, providing insights into workforce diversity and commuting patterns for informed decision-making.

## 1. Turnover Report

The Turnover Analysis report provides insights into employee attrition, including departures by department, job roles affected, business travel impact, and total years in current role, aiding in workforce management.

## 3. Employee Wellness Report

Employee Wellness report consolidates employee data, featuring attrition by job level, overtime performance ratings, monthly income, and attrition increase levels, offering critical insights for effective HR strategies and decision-making. We aim to create a healthier and more supportive work environment. Explore metrics, compare trends, and act proactively to prioritize the well-being of our valuable workforce.
